Re: Appointment of Canadian District Board Member

District Vice President Jim Smith has announced his intention to retire in May of this year after more than 43 years of service to the Brotherhood and more than 25 years as the Canadian District Vice President. I'm sure you all join me in wishing him a healthy and happy retirement.

I will be appointing Jason Rowe to the position of Canadian District Vice President effective upon Jim's retirement. Jason is currently serving the Brotherhood as the EST for the Prairie Artic Regional Council.

I know that you will give Jason your full support and cooperation as he assumes his new duties and responsibilities. My staff will send contact information for Jason out once that information is finalized.
