

Hello Brothers and Sisters,

As Spring is quickly approaching so is our expected surge in our construction industry and I couldn't be more excited! I want to remind all of our members to have your training up to date so you're ready to work when called upon. I'd also like to remind our apprentices to get registered with Apprenticeship Nova Scotia-I don't want any of you to miss your opportunity to obtain work on a government jobsite.

From the ground up

Apprenticeship grad leading momentous build

André Rosnok, Site Superintendent, Joneljim Concrete Construction-Ellis Don Marconi Campus Relocation Project and Carpenter apprenticeship grad.

When André Rosnok completed his [Carpenter apprenticeship](#) technical training levels at [Marconi Campus](#), he never imagined he'd one day be put in charge of building the campus's new home; but as the Site Superintendent for the Joneljim Concrete Construction-Ellis Don Marconi Campus Relocation Project, he's doing just that.

Celebrate African Heritage Month 2021

Nova Scotia has over 50 historic African Nova Scotian communities with a long, deep, and complex history dating back over 400 years. African Heritage Month provides us with another opportunity to celebrate our culture, legacy, achievements, and contributions of people of African Descent – past and present.
