Hello Brothers and Sisters,

Summer is quickly approaching and so is our expected surge in the construction industry and I couldn't be more excited! I want to remind all of our members to have your training up to date so you're ready to work when called upon. I'd also like to remind our apprentices to get registered with Apprenticeship Nova Scotia-I don't want any of you to miss your opportunity to obtain work on a government jobsite.

Gordon Jacobs

Regional Manager

Our Deepest Sympathy to the Family of:

Brother Nelson Murrant—46 year member

Brother John H Latimer—52 year member

Brother Christopher Musial—15 year member

Upcoming Meeting Dates:

Thursday, May 13th - 7:00PM

Thursday, June 10th - 7:00PM

Please note our Port Hawkesbury meetings are cancelled until further notice

On behalf of Local 1588, the executive would like to congratulate our members who have successfully achieved their Red Seal Certification. Congratulations to:

- ◆ MacKenzie Carrigan
- ◆ Bryan Peori
- ◆ Shamus MacIsaac
- ◆ John Nearing
- ◆ Jack MacIsaac
- ◆ Wayne Buchannan
- ◆ Darren MacPherson

During the month of March we celebrated "Women in Construction Week".

We would like to recognize, our only sister in the brotherhood, Susan Gallant of Sydney, who has obtained her Red Seal Certification. Congratulations Susan! Keep up the great work.

Carpenter Millwright College
Well Trained. Work Ready.

Currently we are offering all of our regular safety training— Fall Protection, Confined Space, Whimis and First Aid. We are also offering Mobile Elevated Work Platform and Tele-handlers Courses. Additionally we are continuing to hold red seal upgrade classes this year until the demand is met. Please call Jaclyn at the office to be placed on the list for any of the above classes. Also please note that we are working toward offering two new skill training courses in the near future. “Interior Systems Training” and “Formwork Training”, please contact Bradley Webber for updates on this. Lastly, I would like to remind our members to work safe not only on the work site but at home as well.
