December 2021

Message from Regional Manager Jeff Richardson

Well 2021 is almost in the history books. It's been a very busy year and we sure had our challenges navigating through this pandemic. It's been very stressful to say the least but as carpenters do, working together, we managed to pull through it collectively.

To highlight some success of this past year with the help of the Local Executive, EST Romero, Colin and myself we have managed to return the training fund to the Local and will be holding training classes on a more regular basis. Please contact our Training Director Amanda Roach, if you have any questions on upcoming classes for 2022.

We also continue to refine strategic initiatives to increase our market share to create more work opportunities throughout all of our sectors. New companies such as Heritage Grade, Doctor Solar and Sun Air Energy are just to name a few. To give a snapshot of ongoing and upcoming projects there is Genius Buddhist Dining Hall, Brudenelle GWBI Building, the Climate Change Institute in St Peters, UPEI Dormitory, Numerous School Renovations, etc...

If your not working, please contact the office to have your name put on the out of work list, make sure you have your safety training up to date as well.

On Behalf of Colin, Amanda, myself and the Local Executive, we wish you a very Merry Christmas and a prosperous New Year.

Thank you,

Jeff Richardson
