

ATLANTIC CANADA

REGIONAL COUNCIL OF CARPENTERS MILLWRIGHTS AND ALLIED WORKERS

JOB OPENING

BUSINESS REPRESENTATIVE POSITION

The Atlantic Canada Regional Council of Carpenters, Millwrights and Allied Workers (ACRC) has openings for Business Representative positions in Moncton, New Brunswick and Halifax, Nova Scotia. The successful candidate must be suitable to work in our fast paced environment and be willing to travel to various locations in Atlantic Canada to work with our team to represent members. In addition, the candidate must have completed the United Brotherhood of Carpenters (UBC) International Organizing (3-day) Training Course or be available to take the course as required.

DUTIES

The Business Representative's priority is to represent the best interests of the UBC and actively advocate on behalf of its members. The Business Representative will work closely with members and contractors and visit job sites. The Business Representative will also support Organizers who are actively seeking out new opportunities to organize individuals and contractors who are not represented.

The successful candidate will possess strong organizing, communication, and strategic skills. The Business Representative will maintain proper and orderly records and provide a daily written report to the EST. The Business Representative will work closely with other staff of the ACRC to ensure a consistent and high standard of service is provided to all members of the Council.
