REGIONAL COUNCIL OF CARPENTERS  
MILLWRIGHTS AND ALLIED WORKERS

---

The Atlantic Canada Regional Council will be sponsoring sisters to attend the SWiT Conference being held June 10-12, 2023 in Winnipeg, Manitoba.

SWiT 2023 will offer a safe place for tradeswomen and their allies to support each other, share experiences, and brainstorm solutions. This year's theme, Building Community, will emphasize the importance of reducing feelings of isolation and improving the sense of belonging for women in the trades. Delegates with shared attitudes, values and goals will come together in one supportive group to address challenges, collaborate to solve problems, enhance workplace experiences, celebrate successes and ultimately, help tradeswomen advance in their careers.

If selected to attend, you must be available to travel June 10-13, 2023. No lost wages will be paid for this event but a \$100.00 per day stipend to a max of \$400.00 will be given.

If you are interested in attending, please complete and send in this application by May 12, 2023. Forms can be submitted to [cwhalen@acrc.ca](mailto:cwhalen@acrc.ca) or in person to an ACRC office. Members will be selected based on various factors such as eligibility, union involvement, etc. All costs associated with flights, accommodations, and meals will be covered by the Atlantic Canada Regional Council.
